

# Swim Lessons

## Private Swim Lessons

Lessons are available for those who want more individualized attention. We have a “pool” of enthusiastic and qualified instructors looking forward to helping you or your child achieve your goals! Please allow at least one week for initial contact.

| Cost                | Day/Time                                    |
|---------------------|---|
| 4 pk-\$82.00 PLPP4  | Times available upon instructor and student |
| 8 pk-\$164.00 PLPP8 | compatibility                               |

## Semi-Private Lesson Packages

Semi-private lessons are for 2-4 children with an instructor. **Participant must provide the additional student** to make it a semi-private lesson. Each lesson is 30 minutes long. Lessons are set up in order received.

| Cost/child          | Day/Time                                    |
|---------------------|---|
| 4 pk-\$48.00 SPLPP4 | Times available upon instructor and student |
| 8 pk-\$96.00 SPLPP8 | compatibility                               |

- Private and semi-private lesson packages can be purchased after contact with a swim instructor and a start date is established.
- If you have questions on lessons or are interested in registering for private or semi-private lessons, please call Angela Yazdani at (303) 655-2213

## Swim Lesson Quick Tips

- There is no sure way to predict how quickly your child will progress. Consider that most children do not move directly from level 2 to level 3 or from level 3 to level 4.
- Pollywogs is similar to Level 1 while Guppies is similar to Level 2. Minnows is an advanced pre-school level that incorporates skills from both of level 2 and beginner level 3. The reason for the preschool separation is to avoid huge age differentials i.e., a 4 year old in Level 1 with a 9 year old
- Please keep in mind the benefit of being added to the waitlists. Your child may end up in a class. There have been changes to the way you sign up for waitlist. There is now only one waitlist for evenings and one for morning for each session. If possible, we will open up whichever class has the highest demand.
- If you want your child to acclimate and be more aware around water by summer, sign them up for swim lessons now!
- Contact aquatic management for any questions or concerns regarding your child's swim level placement including future registration.

**Don't Forget** to bring a padlock or combination lock for the locker rooms. Loaner locks are provided by the Recreation Center with a \$5.00 deposit. For information on Aquatics call (303) 655-2212 or visit [www.brightonco.gov](http://www.brightonco.gov)
