#### Business-

##### NLC Update

Youth commissioners who attended NLC gave a brief update. They shared one thing they learned and their favorite part of the conference.

Attendees are currently working on a presentation to give to City Council. The presentation will be about their experience at the NLC conference and it will take place on April 13th.

Attendees are also planning to present something to the commission, so stay tuned!

#### Vacant Spots

Due to some scheduling conflicts, three commissioners were sent termination letters. This means that they each have to give up their seat on the BYC. With that, three spots have opened up for new youth commissioners!

The officers and the youth services team would like to introduce the idea that we open this up to Youth Corps members first. If we go with this plan, interested YC members will be interviewed in the near future to take those seats.

#### Parent Permission Forms

If you haven't turned in your permission slips to Abby, please do so as soon as possible. This has to be done before the all day meeting on Tuesday.

#### Entrepreneurship Program Update

This is a program for those under the age of 19 who are interested in starting and growing their own businesses.

The application for this program is up, the deadline to sign-up is April 7th.

The Office of Youth Services is working on selecting BYC members to be a part of the committee to help with this program.

Tawnya would like each committee to post the following in the Facebook group:

Members in your committee

What you will be working on

How other commissioners can help

If you are planning a meeting with your committee and Tawnya, be sure to (1) put it in the Google Calendar, and (2) have a specific title/description.
