DRAFT

Bicycle-Friendly Driver on 6/19

Sign up link: <http://bit.ly/Brighton61919>

Language for promotion:

This program is designed to teach drivers best practices for sharing the road with people who ride bicycles. All drivers, from fleet drivers to the general public will benefit from this class.

The 1.5 hour, interactive class covers the following topics:

Common causes of crashes between motorists and bicyclists and how to avoid them.

Laws for both motorists and bicyclists.

How to navigate on-street bicycle infrastructure while driving a motor vehicle.

Why sharing the road is the safest option for both motorists and bicyclists.

Upon successful completion of the course, participants will receive a Bicycle-Friendly Driver certificate, a sticker to display on their vehicle, and the option to pledge to be a Bicycle-Friendly Driver.

Auto-Friendly Bicyclist on 8/21

Sign up link: <http://bit.ly/Brighton82119>

Language for promotion:

This program is designed to teach people who ride bicycles best practices for sharing the road with drivers. All people who ride bicycles with any background or skill level will benefit from this class.

The 1.5 hour, interactive class covers the following topics:

Common causes of crashes between motorists and bicyclists and how to avoid them.

Laws for motorists and bicyclists.

How to navigate on-street bicycle infrastructure like shared lanes, bike lanes, and green paint.

Why sharing the road is the safest option for both motorists and bicyclists.

Upon successful completion of the course, participants will receive an Auto-Friendly Bicyclist certificate and sticker to display on their bicycle.
