

Permit Checklist
 Fire Suppression/Fire Alarm Permit

Permit #:	
Project name:	
Project address:	

The following items shall be submitted with a permit application for any commercial or industrial construction project:

	Permit application – signed and dated
	Four (4) sets of original, engineer-stamped drawings (large format- 24” X 36)
	Four (4) calc/spec books
	One (1) set of small format, engineer-stamped drawings (11” X 17”)
	Copy of awarded bid for project scope of work

Contractors listed on the permit must be licensed with the City of Brighton. Please see the requirements for contractor and sub-contractors as outlined on our procedural handout titled *Contractors – Licensing Requirements for Permits* (available on our website or at the Customer Service Center).

Application review shall not start prior to the submittal of all required documentation.
